Handbook

2014–2015

Dear Students,

Edgecombe Community College received the national ACT Career Preparedness Award in May 2013 for efforts to prepare students to be successful in careers and the workplace.

For a school like Edgecombe, which serves 13,000 people a year, to receive a national award is a highlight for all of us at the college who work hard every day to prepare students to be work-ready.

Student success is our mission, and Edgecombe students are succeeding both in and out of the classroom. Among our students are a national winner of an Army scholarship and a national public speaking award recipient.

Our 13 student clubs and organizations regularly achieve state and national distinction. In 2013, for example, the college's Phi Theta Kappa honor society chapter was one of four chapters nationwide to win a competition sponsored by *USA Today*.

We are delighted that you have chosen Edgecombe as your educational home. Our committed faculty and staff will do all that they can to help you achieve your goals. Instructors are credentialed and experienced. Four percent of our instructors hold doctorate degrees, and 63 percent hold master's degrees. All of our instructors are dedicated to making your classroom and extracurricular experiences as rewarding as possible.

The college has outstanding support services in tutoring, counseling, academic advising, and financial aid. Staff will provide you with the information you need while you are enrolled at Edgecombe. Services are available to you at no additional charge. Please allow staff to help you.

This student handbook is the college's way of ensuring that you have relevant information available to you as you navigate your way through college. Please become familiar with the policies and procedures that follow: an understanding of them will help you be successful at Edgecombe.

Have a wonderful year. I look forward to seeing you and to hearing about your accomplishments.

Sincerely,

A handwritten signature in black ink that reads "Deborah Lamm".

Deborah L. Lamm, Ed.D.
President

SERVICES FOR STUDENTS

GUIDANCE AND COUNSELING

Guidance and counseling services are an integral part of the Student Services Department at Edgecombe Community College (ECC). Staff members of the department are individuals of varying backgrounds who are professionally trained and hold at least a master's degree in the counseling area. Counselors are available on each campus to help students become more self-knowing, self-reliant, and directive by offering the following services:

1. Appraising, organizing, and evaluating information such as transcripts, placement test scores, and interviews with students and instructors to determine proper placement and to assist students toward self-knowledge needed for decision making and planning.
2. Providing professional counseling services to students in clarifying basic values, attitudes, interests, and abilities; assisting in all phases of decision making; assisting in formulating vocational educational plans and progress; and providing appropriate resources for more intensive and deep-seated personal problems.
3. Providing information pertinent to the selection of courses, occupational prerequisites, transfer requirements, availability of resource agencies, and other areas of concern to students.
4. Providing community services through vocational and educational counseling and other student personnel services to youth and adults in the community.
5. Disseminating information by brochures, counselor visitations, conferences, or direct correspondence; encouraging school attendance; fostering understanding of requirements for admission and for special curricula; developing proper attitudes; and contributing to student decision making and planning.
6. Providing information on loans, scholarships, grants, part-time jobs, and other resources for students who need financial assistance.

COUNSELING PROCEDURES

The Student Services Department endeavors to make its services available to every student from pre-admission through graduation. The pre-admission interview is designed to help students make a decision in terms of what curriculum program or programs they are best suited to enter. The interview involves evaluation of the high school transcript, along with discussion of the students' needs, interests, and abilities.

Students may see a counselor on an individual basis to discuss personal, academic, vocational, educational, and financial needs. Student access to a counselor is determined by student-initiated or counselor-initiated appointment or by instructor or advisor referrals.

Specialized counseling for handicapped students is available in cooperation with Vocational Rehabilitation, the Department of Social Services, the Veterans' Administration, and other agencies. The degree of disability and the educational potential of the students determine the extent of training and placement.

Academic counseling is available to students who have deficiencies in reading, writing, listening, computing, and study skills.

Advisors maintain academic records for advisees. Faculty members also are available for consultation.

STUDENT ASSISTANCE PROCEDURES

REFERRAL SERVICE

The college recognizes that most student problems can be successfully treated, provided they are recognized in their early stages and referral is made to an appropriate resource. The problem may be one of personal relationships, physical illness, mental or emotional illness, finances, marital or family discord, alcoholism, drug abuse, legal issues, or other concerns. When students' academic performance or attendance is unsatisfactory, and the students are unable or unwilling to correct the situation, either alone or with normal advisory assistance, there may be some cause outside the realm of their academic studies which is the basis of their problem. This policy assures that if such personal problems are the cause of unsatisfactory academic performance, students receive careful consideration and an offer of assistance to help resolve such problems in an effective and confidential manner.

SUBSTANCE ABUSE PROGRAM

Students will be referred to local substance abuse treatment providers.

CAREER SERVICES

Career Services assists students and graduates with the career exploration process. Students or graduates who wish to talk with a professional staff member about career plans may make an appointment. Professional staff is available to assist students in choosing a major, assessing skills and interests, exploring information about jobs, arranging interviews, analyzing resumes, developing interviewing skills, and determining job-hunting strategies.

Students are encouraged to begin the job search process at least six months before graduation and to contact the North Carolina Division of Workforce Solutions for assistance in their job search.

HEALTH SERVICES AND STANDARDS

Student health services are not provided on campus. Students should seek medical attention from an area healthcare facility or provider.

Students with communicable diseases may be prohibited from registering for classes when health records indicate that their attendance would be detrimental to their health and safety or to the health and safety of other persons with whom they may come in contact. After recovery, students may be registered for classes.

Students who have significant health conditions or limitations may be required to submit a report or medical examination prior to their initial registration and are encouraged to inform their instructors at the beginning of each semester.

When deemed appropriate by the Vice President of Student Services, faculty advisors, instructors, and/or counselors are notified of students identified as having significant health conditions.

Certain programs have technical standards that must be met for admission to the program. Technical standards are defined as physical, mental, social, and psychological requirements needed for educational training. Those standards are required in order that students not be a danger to themselves or others with whom they come in contact in the pursuit of their educational objectives.

The college seeks to assist students who have special health conditions or limitations in the attainment of

their educational goals. Services are provided in accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act.

In the event of accident or illness, the Student Services Department or the Business Office should be notified immediately. First aid is provided by college personnel in accordance with their capabilities. First aid kits and automatic electronic defibrillators (AED's) are located in the Student Services Department and the library on both campuses, the Cosmetology Building on the Rocky Mount campus, and the reception area in Buildings B, E, and H on the Tarboro campus.

Students who become ill, are injured, or develop health problems requiring professional attention are referred to the emergency room at the most convenient hospital or to a local physician in accordance with instructions given by students or their family. In an emergency situation that requires immediate attention, students may be taken directly to the hospital by the rescue squad.

Environmental health and safety on the campus are the responsibility of the Vice President of Administrative Services.

CHILD CARE PROGRAM

The Child Care Financial Assistance Program at ECC was established by funding from the North Carolina Community College System and the Carl Perkins Grant. The program is intended to serve student parents who need assistance paying their child care costs in order to attend ECC. It is not the intention of this program to refer or direct students to child care services. Student parents enter into child care arrangements of their own free will. The college's role is to provide financial assistance to students.

Student parents must complete an "ECC Child Care Financial Assistance Program Application Form" available in Student Services. Applicants must have a Student Aid Report on file with the Financial Aid Office and must have completed all requirements for admission to ECC.

Applicants are notified by mail regarding their application status. Approval is based on eligibility and availability of funds. If aid is awarded, student recipients need to schedule an appointment with the Child Care Coordinator to review the award and sign the agreement forms.

GRADUATION

A commencement exercise to award degrees, diplomas, and certificates is held at the end of the spring semester. The specific date for commencement is listed in the college calendar. All students receiving degrees, diplomas, and certificates are expected to attend commencement exercises. Students should see their advisor or Student Services for a "Graduation Request Form." Students must submit a "Graduation Request Form" to Student Services to be included in the graduation process.

DEGREE, DIPLOMA, AND CERTIFICATE REQUIREMENTS

The following minimum requirements have been established for the Associate in Arts, Associate in Fine Arts, Associate in General Education, Associate in Science, and Associate in Applied Science degrees; the Vocational diploma; and certificates.

1. Students must complete all course requirements as outlined in their curricula. Graduates must have earned at least a 2.0 grade point average in courses presented for graduation.
2. Students must have completed a minimum of 25 percent of the hours required in a particular

- curriculum program at the college if they transfer from another institution and intend to graduate from ECC.
3. Students must complete the Career Readiness Certification exam prior to graduation.
 4. Students must be recommended by the chair of the department in which they complete their major work.
 5. Students must fulfill all financial obligations to the college and return all borrowed library books and materials.
 6. Students participating in graduation activities must wear the appropriate cap and gown attire.

BOOKSTORE

Textbooks can be bought and resold at the college bookstore, a non-profit service of ECC. School supplies, sportswear, and gift items are also available. A bookstore is located on both campuses.

ORIENTATION

START @ ECC (Student Transition Advising and Registration Time), New Student Orientation, takes place the first day of early registration for fall, spring, and summer semesters and other days agreed upon by College officials. The first half of the orientation consists of an information session discussing topics such as advising, the registration process, drop/add rules, disability services, the tutoring program, student clubs, financial aid and foundation/scholarships, bookstore and parking passes, the library, security, and faculty and classroom expectations. Counselors are also introduced. The second half consists of registering for classes, visiting the Financial Aid Office, completing the placement test, obtaining student IDs and parking passes (for students who register), and taking a campus tour.

New Student Orientation is required so students learn important college services and policies and can be successful at ECC. Online orientation is also available through the College's website.

TUTORING

The Tutoring Program assists students who are experiencing academic difficulties in curriculum courses. Tutors provide additional individualized instruction and support necessary to help students achieve academic success at the college. Tutors provide assistance with study skills, test-taking skills, and class content. Students may request tutoring assistance for any curriculum course by contacting the Student Services Department. There is no fee for tutoring services. The Tutoring Program employs students and other qualified individuals as tutors. Students may apply to be tutors by contacting the Curriculum Learning Center. Online tutoring is available to all students 24 hours per day. Please contact the Curriculum Learning Center (CLC) for more information.

STUDENT HOUSING

Housing for students is not provided on campus. Members of the student body live in and around the area and commute to the campus. Although organized student housing services are not provided, students who seek housing are referred to area real estate agencies and citizens who have indicated the willingness to rent to students. Such referrals are made on a non-discriminatory basis.

DISABILITY SERVICES

POLICIES AND PROCEDURES FOR RECEIVING ACCOMMODATIONS FOR A DISABILITY

ECC recognizes its responsibility under Section 504 of the Rehabilitation Act of 1973 to provide equal access to education for students with disabilities. Support services are available to the hearing impaired, visually impaired, orthopedically handicapped, learning disabled, and those experiencing other health

impairments. It is the students' responsibility to request reasonable accommodations and provide written documentation in a timely manner.

STUDENT RIGHTS

1. Equal access to courses, programs, services, jobs, and activities offered by the college
2. Equal opportunity to work, learn, and receive accommodations, academic adjustments, and/or auxiliary aids and services
3. Confidentiality of information regarding their disability as applicable laws allow
4. Information available in accessible formats

STUDENT RESPONSIBILITIES

1. Meeting of qualifications and maintenance of essential institutional standards for the programs, courses, services, and activities
2. Self-identification of disability status in a reasonable and timely manner
3. Provision of disability documentation from a qualified professional that reflects students' current disability status and the way their disability limits participation in courses, programs, services, and activities
4. Following of published procedures for obtaining academic adjustments and/or auxiliary aids and services
5. Payment for all testing and evaluations required for documentation, if necessary

AMERICANS WITH DISABILITIES ACT

The Americans with Disabilities Act of 1990 (ADA) is the civil rights guarantee for persons with disabilities in the United States. It provides protection from discrimination to individuals on the basis of disability. The ADA extends civil rights protection for people with disabilities to employment in the public and private sectors, transportation, public accommodations, services provided by state and local government, and telecommunication relay services. Appropriate accommodations for students with disabilities are mandated, and modifications must be made as needed in policies, practices, and procedures that assure accessibility of examinations and courses. This mandate includes all aspects of academic and nonacademic activities, including admissions and recruitment, admission to programs, academic adjustments, financial assistance, and counseling.

STATEMENT OF SELF-ADVOCACY

The college promotes student self-advocacy. Students are encouraged to approach instructors and to discuss any special needs they may have in a specific setting. This philosophy promotes independence and develops the skills students need to function successfully in the world of work. The mission of ECC's Special Needs Services is to adapt ECC's general services to the individual and specialized needs of students with disabilities in order to provide equal access to all programs and facilities for "otherwise qualified" students with disabilities. The goal is to integrate students with disabilities into the college and to help them participate in and benefit from the programs and activities enjoyed by all students. Students who need disability accommodations must initiate contact with the special needs counselor. Federal law does not permit the college to collect information about a person's disability during the admissions process. Therefore, it is students' responsibility to identify themselves and request services. Students must provide specific documentation of disabilities. All documentation and information regarding students' disabilities is kept confidential.

PROCESS FOR RECEIVING ACCOMMODATIONS

Persons who wish to apply for accommodations for a disability should complete the following steps:

1. See the Student Support Specialist in the Student Services Department.
2. Sign a "Release of Information Statement."
3. Provide documentation.

Appropriate information is released to faculty once the above steps have been completed.

Accommodations are provided in accordance with the specific needs of students based upon the documentation of the disability. The Student Support Specialist will guide the student through the process of gathering appropriate documentation.

DOCUMENTATION GUIDELINES

Documentation has two main purposes: to establish that individuals have a disability and to describe and document the functional impact of the disability for use in establishing the need for and design of accommodations. Documentation is used to evaluate requests for reasonable accommodations and/or auxiliary aids. The evaluation process includes the impact of the documentation on the goals and standards of the program, course, and/or activity.

Once the seven criteria expected to be included in documentation have been verified, recommendations for accommodations, adaptive devices, assistive services, compensatory strategies, and/or collateral support services are considered. The above guidelines were adapted from Longwood College, "What Documentation Do I Need – General Guidelines."

DISABILITY HARASSMENT POLICY

ECC prohibits any form of disability harassment involving any of its employees in the employment relationship or involving any college employee and a student of the college in the college relationship, whether it is in the form of a college employee harassing a student with a disability or a student with a disability harassing a college employee. The college has a firm belief and has established a policy that all employees are entitled to work and all students are entitled to learn in an environment free of discrimination based on a disability. Any act, comment, or behavior which is of a harassing nature and which in any way interferes with an employee or a student's performance or creates an intimidating, hostile, or offensive environment is strictly prohibited. Students or employees who feel they have been subjected to harassment due to a disability may file a complaint with the Vice President of Student Services. Complaints involving the Vice President of Student Services should be filed with the President.

DISABILITY GRIEVANCE PROCEDURE

Students have the right to appeal any decisions about accommodations, discrimination, and/or harassment by using the non-academic grievance procedure.

STUDENT LIFE

STUDENT ACTIVITIES, CLUBS, AND ORGANIZATIONS

ECC recognizes the importance of student activities for retention of students. The college provides programs developed in response to student requests and needs. A large portion of responsibility for campus affairs lies with the Student Government Association. The students plan and present many co-curricular campus activities. Activities vary from semester to semester depending upon student choice. More information about student activities is available in the Student Services Department.

PROCEDURE FOR STARTING NEW STUDENT CLUBS/ORGANIZATIONS

When a group of students recognizes a common interest which it wishes to strengthen through formal organization, a written proposal should be submitted to the Dean of Students. The proposal should show the need for the organization, its purpose, its goal and/or objectives, number of persons interested, the name of the advisor, and the constitution or bylaws.

1. If faculty, staff, or students are interested in starting a club for students, they should contact the Dean of Students for further information.
2. If the Dean of Students agrees to the formation of the organization, the group presents the proposal to the Executive Board.
3. If the Executive Board agrees to the formation of the organization, its representative presents the proposal to the Student Government Association for final action.

If the proposal is approved, the Student Government Association grants recognition, conferring all the privileges and responsibilities accorded similar organizations.

STUDENT GOVERNMENT ASSOCIATION

The purpose of the Student Government Association (SGA) is to promote in students a personal sense of pride in and responsibility to the college and to accept their democratic responsibility as American citizens.

The SGA is composed of a representative from each curriculum and an elected president and vice president. All students who pay the activity fee are eligible to attend SGA meetings. Participation is open to all students without regard to race, gender, age, creed, color, religion, national origin, or disability. The SGA acts as an intermediary between the student, college, faculty, and administration. Through the Association, each student has a voice in student affairs. The SGA is responsible for organizing, approving, and funding all SGA activities. The activity fee pays for student activities.

The Dean of Students appoints the advisor to the SGA; this advisor supervises all SGA activities and meetings. The duties of the SGA advisor are as follows:

1. Oversee the governing of the SGA in an advisory capacity (nonvoting).
2. Attend all SGA meetings and functions.
3. Accompany the SGA members to all meetings and conferences.
4. Serve as a liaison between the SGA and Business Office concerning the disbursement of funds.
5. Provide training in the development of leadership skills for SGA members.

PHI THETA KAPPA

Phi Theta Kappa is an honor society whose purpose is to recognize and encourage scholarship among two-year college students. This honor society provides the opportunity for the development of leadership and service, for the exchange of ideas and ideals, and for stimulation of interest in academic excellence. To be a member of Phi Theta Kappa students must meet the following qualifications:

1. Be enrolled at ECC
2. Have completed 12 credit hours in an associate degree program
3. Have a cumulative grade point average of 3.5 or higher
4. Adhere to the ECC student code of conduct

Once these qualifications have been met, students are invited to be members and to participate in various service and scholarship activities. New members of Phi Theta Kappa are inducted into this honor society each year. Being a member of Phi Theta Kappa affords students numerous benefits and opportunities. Some of these benefits include the following:

1. Golden Key Pin
2. Membership Certificate
3. Phi Theta Kappa Transfer Directory
4. Phi Theta Kappa Seal on Diploma
5. "Member of Phi Theta Kappa" on Transcript

8. Regional Conferences and Leadership Development Program
9. International Conventions
10. Honors Institutes (Opportunity to meet distinguished professionals)

AMBASSADOR PROGRAM

ECC Student Ambassadors is an honorary group of students who represent the college at special events on campus and in the community. Students from diverse areas of the college who have a variety of career goals and experiences are selected. These students possess leadership potential, communication skills, and high academic standards. Each ambassador serves for one year with the option to renew for the second year with the selection committee's endorsement. For their service to the College, Ambassadors receive free tuition and fees for one semester, a professional blazer and polo shirt to wear at Ambassador functions, and an Edgecombe Community College Ambassador name badge. The Ambassadors participate in a leadership program throughout the year and discuss topics such as public speaking, time management, etiquette, resume writing, and interview skills. The Student Ambassadors serve as tour guides as well as hosts/hostesses at official Edgecombe Community College and Foundation events and activities, assist with recruitment of potential students, speak to groups on the behalf of the College, and assist during New Student Orientation, registration, and graduation. Ambassadors are expected to perform these services in both day and evening hours and on both campuses. The program is advised by a counselor in the Student Services Department.

To become an ECC Student Ambassador, a student must meet the following requirements:

- Must have and maintain a 3.25 grade point average.
- Must have completed 15 hours of course work before the application deadline.
- Must complete an Ambassador application and meet the deadline for applying.
- Must submit two completed Faculty Nominations.
- Must be interviewed and selected by a selection panel.

BUTTERFLIE

BUTTERFLIE (Building Unity through Teamwork, Empowerment, Respect, Friendship, and Leadership to Inspire Excellence), a program designed to mentor minority females, was implemented during the fall of 2006. The program focuses on issues such as motivating and assisting the minority females enrolled at the college. It also helps those involved develop skills in time management and leadership. This program focuses on touching the lives of females who are aspiring to succeed and excel. Another priority of the program is to inspire women and to demonstrate support of the students enrolled in the college.

CRIMINAL JUSTICE CLUB

The Edgecombe Community College Criminal Justice Club works to recognize and promote scholarship among students engaged in preparation for professions in the criminal justice system, and provide a forum for keeping abreast of new developments in criminal justice.

EDGEcombe RADIOGRAPHY STUDENT ORGANIZATION (ERO)

Edgecombe Radiography Student Organization is an educational organization for full-time program radiography students. The objectives of ERO are to promote professional growth and leadership characteristics by participation in community projects and professional activities, encouraging membership prior to graduation. Continuing education is required for professional certification and membership and participation at professional meetings is the best practice for obtaining continuing education credits. It also allows for a peer support group and the opportunity to experience local, state and national professional activities and seminars.

ERO raises funds to support professional and graduate activities, encouraging team work and enhancing leadership skills.

EMPAC

EMPAC (Empowering Males with a Purpose to Achieve and Celebrate) is a mentoring program that empowers minority males to assist one another with the development and enhancement of maturity skills needed to be role models at home, in school, and in the community. EMPAC hosts workshops and assists in community service projects. The goals of EMPAC are as follows:

Membership is open to all individuals who are currently serving or have served in the military. The VSA meets once a month with the exception of holidays and regularly scheduled breaks.

FUNDRAISING POLICY FOR CLUBS

Any student club or organization that wishes to raise funds must have the fund-raising event approved in advance by the Vice President of Student Services. An Edgecombe Community College "Fund-Raising Request Form" must be completed and submitted to the Vice President of Student Services at least two weeks prior to the planned event. No club or organization can have more than two fundraisers per year. Any exceptions must be approved by the President. All flyers or other announcements must include the date they were approved.

ACADEMIC ADVISING AND REGISTRATION

ROLES AND RESPONSIBILITIES OF ACADEMIC ADVISORS

Academic advising is a cooperative effort between the advisor, other program and related faculty, and the Student Support Services counselor. Designed to assist the college's students in succeeding academically, academic advising recognizes the importance of student decision making and sees others as support for the students' personal goals and responsibilities.

Retention and support of students are critical during the first semester of students' enrollment at the institution and need to be continued throughout students' educational programs. Students' instructors and advisors have specific responsibilities for the provision of the services related to counseling and advising.

The advisor's role in the student-centered advisement model at the college is to work cooperatively with the Student Support Services counselor to provide ongoing assistance to students. The advisor receives appropriate training in the college delivery model to be able to facilitate students in their progress toward reaching their educational goals.

The advisor has responsibilities in three major areas: registration, academic support, and graduation.

REGISTRATION

Advisors perform the following functions:

1. Help students clarify their program choices and provide information to students.
2. May provide personal contact that includes the advisor name and role. This contact may be made by letter, note, phone call, or email to students after an application has been received. Additional mid-term contact regarding course registration/scheduling is expected.
3. Are accessible.
4. Meet with students twice the first semester (once within the first three weeks and again prior to

- registration) and at least once each semester thereafter.
5. Assist new students in registration and coordinate the registration of continuing students.
 6. Work collaboratively with Developmental Studies advisors to ensure that students are placed into appropriate developmental courses.

EARLY AND FINAL REGISTRATION

Once students have been admitted and have received their placement test scores, they are assigned advisors based on their selected field of study or developmental needs. Students requiring developmental coursework are advised by developmental advisors until they are ready to begin college-level work.

Students should be encouraged to plan in advance for the registration process. Advisors are readily available to enroll students during the advertised weeks of early registration or during the final registration period. However, students may be advised by appointment only at other times.

Students should be strongly encouraged to register during early registration for two reasons. First, if there is a high demand for a particular class, it is much easier to open a second section during early registration than during late registration. Second, classes are much less likely to be full, so the chances that students will get exactly the schedule they want are greatly improved. Students who register early have until the end of the current semester to pay their fees. If they do not pay by the end of the semester, they are deregistered and have to begin the process again during final registration.

If students are on financial aid, their records in Colleague should indicate the award. If the award is not found in the records and students claim to be receiving aid, they need to return to the Financial Aid Office in order to get the award posted before they are allowed to register.

DERREGISTRATION

Once students register with advisors, their spot is held until they pay their fees or until the next "deregistration" occurs. Deregistration is a process performed by the Registrar that removes from courses all registered students who have not paid their tuition and fees. This removal occurs three times: at the end of the current semester in which they registered, at the end of final registration (the day before the semester begins), and at the 10 percent point of the semester. Students must pay their fees before the next deregistration is scheduled, or they have to start the registration process over again and may not get the courses they had originally signed up for. Failure to pay is not a problem for students on financial aid since their tuition and fees are automatically deducted from their award.

ACADEMIC SUPPORT

Advisors perform the following functions:

1. Provide adequate time with all students to determine issues and resolve them.
2. Refer students to a Student Support Services counselor when it is appropriate (academic and personal problems, crisis situations, instructor/student issues).
3. Refer students to other student support services within the college when appropriate (Career Counseling, Job Placement, Tutoring, Special Needs).
4. Are the first stop for students needing help outside the classroom.
5. Provide information about the college policies and procedures in the *Student Handbook* and *College Catalog* while stressing the responsibilities of students.
6. Follow up on assigned advisees identified through the Academic Support System.

7. Ensure that students who do not show up for class or who have poor class attendance are referred to the Student Services counselor.
8. Monitor progress of advisees who are on probation/suspension due to the college policy.
9. Provide a system, in cooperation with Student Services, to have contact with students who withdraw from their program.

GRADUATION

Advisors perform the following functions:

1. Assist students in reviewing their records of credits completed toward their certificate, diploma, or degree, and graduation. Provide students with student employment services information at that time.
2. Work with Student Services to have a system of providing an exit interview for all students near program completion to discuss jobs/career choices, goals, or additional training as desired.
3. Direct students to schedule the Career Readiness Certification exam (CRC).

STUDENT RIGHTS AND REGULATIONS

FAMILY RIGHTS AND PRIVACY POLICY OF ECC

Students at the college are informed annually of the institutional policy regarding their rights in relation to their educational records and the privacy of those records. The annual notice to students includes the following:

1. The types of educational records and the information contained therein.
2. The name and position of the official responsible for maintenance of educational records, the persons who have access to the records, and the purposes for which they have access.
3. The policy of the institution for reviewing and purging records.
4. Procedures for challenging the contents of educational records.
5. The cost of reproducing copies of records.
6. Categories of information designated by the institution as directory information and the condition for release of this information.
7. Other rights and requirements.

STUDENT INSPECTION OF THEIR RECORDS

Students at the college have the right to inspect their individual educational records upon request to the Vice President of Student Services. The request is granted within 45 days. Students see the records in the presence of the Vice President of Student Services.

Students are defined as any persons who are or have been enrolled and have been in attendance in the institution, either curriculum or continuing education.

Educational records include records, files, documents, or any other material containing information directly related to students, such as grades, test scores, and attendance records. Not included are guidance records, medical and psychological reports, the financial records of the parents, and confidential recommendations if students have signed a waiver. Students may obtain copies of their records upon request.

AVAILABILITY OF STUDENT RECORDS TO OTHER PARTIES

Students' records, other than directory information, are not made available without the written consent

of students to any party other than the following:

1. Instructors and other officials having a legitimate educational interest.
2. Authorized representatives of the Comptroller General of the U.S.; the Secretary, the Commissioner, or the Director of the National Institute of Education; the Assistant Secretary for Education; or state educational authorities.
3. In connection with students' application for receipt of financial aid.

5. Organizations conducting studies for educational agencies. Any personally identifiable information is destroyed when it is no longer needed for the specific purpose for which it was collected.
6. Accrediting organizations in order to carry out their specific functions.
7. In compliance with judicial order or a lawfully issued subpoena. Students are notified of any such transfer of their educational records, and a record of such releases is in their file. Personally identifiable information is released to a third party only on the condition that such a party does not permit any other party to have access to such information without the written consent of the student. The transcript from ECC includes the following statement:
"This material is confidential and may be seen only by authorized persons, as specified in the Family Rights and Privacy Act of 1975."

COLLEGE REVIEW OF RECORDS

The college reviews records periodically and removes all documents which are at least five years old.

THE PROCEDURE FOR CHALLENGING THE CONTENT OF RECORDS

Students submit a request for a hearing to the Vice President of Student Services. This hearing may be an informal discussion with the student. It should be held and a decision rendered within a reasonable period of time. If the informal hearing does not resolve the issue, a formal hearing may be requested by either party (the student or the college). A formal hearing includes the following elements:

1. The hearing is conducted within a reasonable period of time following the request.
2. The hearing is conducted and the decision rendered by a college official or other party who does not have a direct interest in the outcome.
3. The student is given a full and fair opportunity to present evidence relevant to the issues raised.
Note: This does not include a challenge to an assigned grade.
4. The decision should be rendered in writing within a reasonable period of time after the hearing.

RELEASE OF PUBLIC DIRECTORY INFORMATION

Public directory information relating to students includes the following: name, address, telephone number, email address, birth date, birthplace, major field of study, dates of attendance, and degrees and awards received. Students are advised that directory information may be released. Students may request in writing that the Vice President of Student Services not release directory information on them. Such requests are honored.

STUDENT RIGHT-TO-KNOW

The Student Right-to-Know Act of 1990 requires the college to compile and release institution-wide persistence rates to all students. The average rate of persistence toward degree completion of students at ECC is available in the office of Student Services.

CIVIL RIGHTS COMPLAINTS

Students who feel that they have been deprived of their civil rights shall confer with the college's Affirmative Action Officer who will attempt to resolve the complaint. If the Affirmative Action Officer is unable to achieve resolution of the complaint, the student may appeal directly to the President of the college. The decision of the President is final. The President shall notify the Board of all Civil Rights complaints and final decisions.

RELIGIOUS OBSERVANCE POLICY

Edgecombe Community College (ECC) shall authorize a minimum of two excused absences each academic year (or one per semester) for religious observances required by the faith of a student. ECC requires that the student provide written notice of the request for an excused absence a minimum of one week prior to the religious observance absence to all appropriate instructors. The student shall work with his/her instructors and be given the opportunity to make up any tests or other work missed due to an excused absence for a religious observance in accordance with General Statute 115D-5.

RETESTING POLICY

Students may retest for placement testing one time after the first attempt within twelve months of the first testing date. The higher score is used for placement. Once a student has started classes, retesting is only allowed with the approval from the Vice President of Instruction. Placement tests are valid for five years.

COLLEGE WAVIER OF RESPONSIBILITY

The college is in no way responsible for the quality of work performed or damages sustained in departments where services are rendered. Students perform work in departments as a learning experience. Students and staff receiving services from college departments are responsible for payment of material costs as determined by the respective instructors.

CRIMINAL BACKGROUND CHECKS AND DRUG SCREEN REQUIREMENTS FOR HEALTH SCIENCE STUDENTS

In health science programs, students are assigned clinical rotations in a number of participating agencies. Various accrediting bodies, as well as state and federal mandates, regulate these agencies. The accrediting bodies or state and federal regulations may require that students have a criminal background check and drug screen prior to or at any time after beginning the clinical rotation. If the student has a criminal conviction or drug screen results that do not meet the agency's hiring standards, the agency may refuse to allow the student to participate in the clinical experience. If a student is prohibited from participating in a clinical agency based on the criminal background or drug screening results, the student will be unable to continue in the allied health program and must withdraw.

All costs associated with criminal background checks and drug screens are the responsibility of the student. ECC recognizes and is fully supportive of the clinical agencies that choose to require criminal background checks and/or drug screens on students.

ECC has contracted with Castle Branch, Inc to perform background checks and drug screens at a reduced rate for students. Results of the tests are available to the student and to the Human Resources Director of the clinical agency at www.certifiedbackground.com. Once students receive a letter of acceptance to a health science program, they should follow the instructions provided to obtain required checks and screens. Most clinical agencies will not accept hand-delivered background check and drug screening results.

COMPUTER USAGE POLICY

College-owned or operated computing resources are for the use of faculty, students, staff, and other authorized individuals. Individuals should exercise responsible and ethical behavior when using these resources. The college does not attempt to identify all required or proscribed behavior by its users. Therefore, each individual's judgment on appropriate conduct must be relied upon. To assist in such judgment, the following guidelines have been developed:

1. Users may not create, display, transmit, or make accessible threatening, racist, sexist, obscene, offensive, annoying, or harassing language and/or material, such as broadcasting unsolicited messages or sending unwanted electronic mail.
2. Users may not access systems for which they are not properly authorized or damage systems or information that is not theirs, such as college records, or use any system for illegal activities.
3. Users may not connect any devices not owned by the college to the campus network without prior authorization from the college's Director of Computer Services.
4. Computing resources and access accounts are to be used only for the purpose for which they are assigned and are not to be used for commercial purposes or non-college related activities.

5. Access accounts assigned to individuals must not be used by others. Individuals are responsible for the proper use of their accounts, including proper password protection and appropriate use of Internet resources. Allowing friends, family, or co-workers to use their account is a serious violation of these guidelines.
6. All computer software is protected by the federal copyright law, and most is proprietary and protected by legal licensing agreements in addition to the copyright law. Users are responsible for being aware of the licensing restrictions for the software they use on any system.
7. Users should not engage in activities that damage or disrupt hardware or communication such as virus creation and propagation, installation of spyware, and overloading of networks with excessive data such as video and audio files.
8. Users should be considerate, not monopolizing or misusing system resources, for example, by requesting multiple copies from printers or by playing games.

Failure to follow the acceptable use guidelines may result in the suspension or revoking of access accounts or other college disciplinary action and possible further legal actions as allowed by state and federal law.

WIRELESS INTERNET SERVICE

ECC provides wireless Internet access on both campuses.

SOCIAL MEDIA POLICY

Employees, students, and friends of the College are encouraged to follow the College on its official web site as well as on various social media sites such as Facebook and Twitter.

When joining social media sites, employees and students should make sure that they read and follow the terms of use, privacy policies, etc. for each site.

Additionally, employees and students should consider the following regarding the use of social media sites:

- You should treat everything you post on the Internet as though it were available to the general public. While your postings may be restricted to those who have access to your page (commonly referred to as "friends"), you cannot control what those people do with your postings – i.e. reposting, forwarding through email, etc.
- Most social media sites require you to supply an email address when joining. When joining social media sites, you should join using your personal (not work) email account, or create separate accounts for personal and professional use. Most people will find that their use of social media sites will evolve to include numerous personal contacts making work related email inappropriate for this use. (Be aware that Facebook's terms of use prohibit maintaining more than one account. It is strongly suggested you use a personal email account when joining Facebook.)
- Use common sense when posting information, comments, photos, etc. Everything you post reflects on you both as an individual, and in many cases as an associate of the College. Use the same amount of restraint as you would use if you were posting the information on a bulletin board in a public space.
- Use privacy settings to ensure that you do not compromise your personal information and/or safety. Do not post information online that you do not want made available to the general public.

- Use College computing resources for College related purposes. Employee access to social media sites during the workday should be reserved for business related purposes. Access for personal reasons should take place during personal time.
- Make sure your access to and use of social media sites does not violate existing College policies.
- Remember, College related social media sites may be subject to monitoring, archiving, and disclosure to third parties in accordance with North Carolina Public Records Law.

ACADEMIC STANDING POLICY

To be in good academic standing, beginning students must have earned a grade point average of two-point-zero (2.0 GPA) by the end of the first semester and must maintain a cumulative grade point average (CGPA) of two-point-zero (2.0 CGPA) thereafter. All students are required to have a major GPA of two-point-zero (2.0) for graduation.

ACADEMIC PROGRESS POLICY

The policy governing academic progress at Edgecombe Community College is intended to assist the student in successfully completing a chosen program of study within a given period of time. Procedures are designed to identify students experiencing academic difficulties and to ensure enrollment in an interventional plan. A minimum cumulative grade point average of two-point-zero (2.0 CGPA) is required for all curriculum programs leading to graduation. Certain programs may require a higher GPA for graduation.

ACADEMIC WARNING POLICY

Students who have failed to achieve a cumulative grade point average of two-point-zero (2.0 CGPA) or above for any semester will be placed on academic warning for the following semester. Students on academic warning may register for a maximum of twelve (12) credit hours, unless otherwise approved by their advisor or counselor.

Students will be notified of their status and the advisor/counselor will prescribe an Intervention Plan that may include study skills, time management, counseling, or other appropriate workshops. Students will remain on academic warning until they re-establish a two-point-zero (2.0 CGPA) cumulative grade point average.

ACADEMIC PROBATION POLICY

Students whose cumulative grade point average falls below 1.0 will be placed on academic probation. Students on academic probation may register for a maximum of six (6) credit hours, until they achieve a 2.0 cumulative grade point. Students on academic probation may not register for classes unless approved by their advisor or counselor. Academic advisors will encourage students to repeat courses, in which they received a failing grade. The lower grade will be dropped from the calculation of the CGPA and the higher grade will be used to calculate the CGPA.

Students will be notified of their status and the advisor or counselor will prescribe an Intervention Plan that may include study skills, time management, counseling, or other appropriate workshops.

ACADEMIC FORGIVENESS POLICY

The Academic Forgiveness Policy applies to students who have failing grades at ECC at least five years old and have not been enrolled two consecutive years at the college.

Upon readmission, when students complete 12 hours of academic work with a 2.0 grade point average or better, their previous grades of F are forgiven in the computation of the overall grade point average. All financial aid policies apply and are not governed by this policy.

GRADE REPEAT POLICY

Students who receive a grade of "C" or better on a curriculum course may repeat the course once.

Students who receive a grade below "C" on a curriculum course may repeat the course until a grade of "C" or better has been obtained.

No course may be counted more than once in calculating the total number of hours toward graduation. For any course repeated, the highest grade earned is used in calculating the major grade point average hours toward graduation. The lowest grade comes out of the grade point average but remains on the official transcript.

Veterans who wish to repeat a course for which a passing grade has been earned do not receive educational benefits for repeating a course unless a "C" is required for progression in the program.

CATALOG OF RECORD

The catalog that is current when the student enrolls in the college is the catalog of record. Students who are in continuous attendance (except summer term) may graduate under the provisions of their catalog of record, or a subsequent issue. Students who are not enrolled for a period of two consecutive semesters must graduate under the provisions of the catalog in effect on their last reentry date or a subsequent issue. Students who change their program of study come under the provisions of the catalog in effect at the time of the change or a subsequent issue.

ATTENDANCE POLICY

Students are expected to attend all classes, laboratories, clinical, and shop sessions to meet the objectives of the courses for which they are registered. Attendance begins with the first day of class. Although special circumstances may cause a student to be absent, regular attendance is essential to satisfy course objectives. Students who anticipate an absence should contact the instructor before the class meets. Should prior notice to the instructor be impossible, the student should expect to explain the absence as soon as is possible. Students have full responsibility for accounting to their instructors for absences.

All work missed during absences may be allowed to be made up at the discretion of the instructor. Failure to make up missed work will adversely affect the student's final grade for the course. To receive credit for a course, the student should attend eighty percent (80%) of class hours and eighty percent (80%) of lab, clinical, and/or shop hours. However, individual instructors may adhere to a more stringent attendance policy. The attendance policy for each course is defined by the instructor on the course syllabus. It is the student's responsibility to read and abide by the policies outlined in the syllabus for the course for which they are enrolled. When absences total more than twenty percent (20%) of the total contact hours for the course, a student may be administratively withdrawn from the class.

UNOFFICIAL WITHDRAWAL POLICY

Students are expected to attend all scheduled classes. It is the sole responsibility of the student to officially withdraw from courses. However, when students are absent from two consecutive class meetings or have excessive absences without contact or notification of the instructor, the instructor should initiate follow-up procedures by (1) attempting to contact the student, (2) notifying the Student Support Specialist, and (3) notifying the Student's Advisor prior to the student missing 20 percent (20%) of the class. Notification to the Student Support Specialist must be done in writing (Unofficial Drop Form) when unofficially dropping a student from their class. If a student is unable to be contacted, and the student does not officially withdraw from the course, the student will receive an "F" for the course.

OFFICIAL WITHDRAWAL POLICY

A student who wishes to withdraw from an individual course or the College should complete an official withdrawal form in Student Services. A student is not officially withdrawn until he/she processes a formal withdrawal form with the Registrar's Office. The effective date of the withdrawal is the date the Registrar's Office receives the completed form. All required signatures should be obtained as indicated on the form prior to submission to the Registrar's Office. This will protect the student's scholastic standing, his/her right to re-enroll, and transfer credits. No student will be allowed to officially withdraw from any class after the sixty percent (60%) point or after the course has ended.

Failure to officially withdraw from a course will result in a grade of "F". If a student completes the Official Withdrawal process, the student may be given a grade of "W" for his/her class(es) prior to the sixty percent (60%) point. A student who withdraws from a course after the sixty percent (60%) point will be given a grade of "F". When extenuating circumstances exist, the Vice President of Instruction must approve the waiver of the grade of "F".

INTELLECTUAL PROPERTY POLICY

Edgecombe Community College is committed to providing an environment that supports the academic activities of the faculty, staff, and students. The college encourages the creation of original works of authorship and the free expression and exchange of ideas. It is the intent of the college to maintain a positive atmosphere for scholarly development. The college encourages innovation, and discovery of new knowledge and its dissemination.

The Intellectual Property Policy applies to all full-time and part-time Edgecombe Community College employees, students working with or without compensation on any project under the direction and control of the college, anyone using college facilities, or anyone conducting activities under the supervision of college personnel. A portion of the policy, dealing specifically with student created work, is included here. The complete policy may be found in the *Edgecombe Community College Employee Handbook* and the *Edgecombe Community College Board of Trustees Policy Manual*.

CREATION OF INTELLECTUAL PROPERTY BY STUDENTS

The student, with the following exceptions, holds copyright to works the student creates as a part of academic endeavor at the college.

- A. Sponsored or Externally Contracted Works: Sponsored or Externally Contracted Works are any works developed using funds supplied under a contract, grant or other arrangement between the college and a student. Sponsored or Externally Contracted Works created by students in the scope of employment or contract with the college constitute works for hire, and are therefore owned by the college unless there is a written agreement providing otherwise.
- B. Class or Laboratory Notes: Student class and lab notes may be "derivative works" within the meaning of copyright law, in which case they may be used only for personal educational purposes. Commercial use of derivative works without permission of the college constitutes unlawful copyright infringement. Exceptions may be granted by the college in the case of notes that are derived from college-owned works, or may be granted by the individual copyright owner of works from which the student notes have been derived. Questions regarding copyright should be directed to the Vice President of Instruction.

A message regarding closings for both employees and students is placed on the college telephone message system by 6:30 a.m. and on the College's website.

Students, especially those coming in from outlying areas, should exercise personal judgment concerning highway conditions regardless of college announcements.

For the inclement weather policy specific to health sciences students assigned to a clinical site, these students should call the college phone number and press "4" for clinical instructions.

Actions that may be taken by the college include the following:

College Closed – In case of extremely severe weather or disaster, when roads are impassable or extremely dangerous, the college may be closed. Closing means that students need not report on the specified day(s). **College Delay** – Classes and/or the time employees and students report may be delayed.

When classes are canceled due to the closing of the college, make-up days may be added at the end of the term to ensure that students receive the full hours of instructional time required for each course.

REPORTABLE COMMUNICABLE DISEASE POLICY

Students of the college who may be infected with a reportable communicable disease as defined by the North Carolina Mission for Health Services are not excluded from enrollment or restricted in their access to college services or facilities, unless medically based judgments in individual cases establish that exclusion or restriction is necessary for the welfare of the individual or other members of the institutional community. Persons who know that they are infected are urged to share that information with their advisor so the college can assist in the appropriate response to their health and educational

needs. This information is kept confidential.

CAMPUS SECURITY POLICIES

In accordance with Title II, Public Law 101-542 and GS 74G, the ECC Board of Trustees has adopted the following policy:

ECC provides adequate security personnel and procedures to protect the safety of its students, faculty, and staff and to ensure the security of the college's assets. It is the responsibility of all college employees and students to report crimes whenever they become aware of them. While on college property, all persons are expected and required to obey all federal, state, and local laws and ordinances, as well as college policies governing appropriate conduct. Persons who violate this policy are subject to legal action determined appropriate by the ECC administration.

SECURITY AND ACCESS POLICIES

ECC is open to students, employees, and visitors who have legitimate business to conduct during normal operating hours of 8:00 a.m. to 10:00 p.m. on Monday through Thursday and 8:00 a.m. to 4:00 p.m. on Fridays. During the summer months, ECC operates on an abbreviated schedule. Summer hours are Monday through Thursday from 7:15 a.m. to 10:00 p.m. Any individuals found to be interfering with the educational process or normal business operations or posing any threat whatsoever to students or employees are escorted off campus.

After normal business hours, community groups may gain access to the Tarboro campus by prior arrangement with the Business Office and to the Rocky Mount campus by arrangement with the office of the Director of the Rocky Mount campus.

INDIVIDUAL SAFETY PRACTICES

Students should observe individual safety practices by doing the following:

1. Being alert and aware of their surroundings at all times. Their safety depends mostly upon their attitude and actions.
2. Carrying handbags, book bags, or briefcases close to the body.
3. Parking near the last building they will be in for the day or evening.
4. Remembering to lock vehicles.
5. Noting where they parked.
6. When returning to their car, having their keys out and ready.
7. If commuting to school by taxi or being dropped off at school by someone, waiting for the taxi or ride inside the lobby of the building the transportation drives to. If they cannot see approaching vehicles from inside the lobby, they should tell their ride to pick them up in front of the McIntyre Building or the Fleming Building in Tarboro or in front of the Barnes Building in Rocky Mount. In these buildings, they can wait inside the lobby with the receptionist and easily see when their transportation arrives.
8. Checking the back seat and floorboard of their car before getting into it.
9. Avoiding walking alone in the dark and avoiding shortcuts that go through poorly lighted or confined areas.
10. Walking in groups whenever possible.
11. Walking confidently and looking directly at passers-by.
12. Not leaving any belongings (handbag, books, and book bags) unattended.

13. Going to the nearest campus phone and dialing **0** in Tarboro or **320** in Rocky Mount to get the receptionist if any of the following occur:
 - a. They see a suspicious person.
 - b. They see or have contact with someone behaving in a threatening or unusual manner.
 - c. They see people fighting.
 - d. They see someone, other than a uniformed law enforcement officer, with a weapon.
 - e. Their instincts tell them something is wrong.

ID CARD POLICY

Students must have an official college ID badge which should be worn at all times while on campus. At registration, Student ID cards are supplied by the SGA. All students are required to present an ID to use the library resources, access the Print Management System, as well as, attend special SGA sponsored events and to receive discounts from selected area merchants. The activity fee covers the cost of the ID card; however, there is a \$5 charge for a replacement card. Student ID cards must be renewed every academic year.

ALCOHOLIC BEVERAGE, DRUG, AND WEAPONS POLICY

ALCOHOLIC BEVERAGES

In accordance with North Carolina state law, ECC prohibits the possession, transportation, use, or sale of any alcoholic beverage within the property boundaries of the college. Exceptions include functions prior approved by the college President as authorized by the College Board of Trustees.

Drugs

ECC property has been designated "Drug Free." ECC's *Student Conduct* policy specifically prohibits the use, possession, sale, or transportation of any controlled substance as defined by the *North Carolina General Statutes*. Within these statutes is the stipulation that even though a person may be under the influence of "legally prescribed medication," that person is totally responsible for his or her behavior.

The *ECC Employee Handbook* contains a "Drug Free Workplace Policy" statement, an acknowledgement of which is signed by all faculty and staff at their employment. This document is kept in the employees' personnel files.

Violators of this policy are subject to college disciplinary action, criminal prosecution, fine, and imprisonment.

Weapons

All students, employees, and visitors are prohibited from using or carrying a weapon onto ECC property unless they are uniformed law officers. This prohibition applies to anything that can be construed or used as a weapon, such as firearms, knives, clubs, or stun guns. The ECC *Student Conduct* policy specifically prohibits the use or possession of weapons and dangerous instruments on college properties as described in the *North Carolina General Statutes*. Violators of this policy are subject to college disciplinary action, criminal prosecution, fine, and imprisonment.

TOBACCO-FREE CAMPUS POLICY

Edgecombe Community College further acknowledges that it has the legal authority to prohibit tobacco use pursuant to G.S. 143-599.

Therefore, Edgecombe Community College has established the following tobacco-free campus policy, to be implemented on August 1, 2011.

Definition. For the purposes of this policy, tobacco is defined as any type of tobacco product including, but not limited to, cigarettes, cigars, cigarillos, pipes, bidis, hookahs, smokeless or spit tobacco or snuff.

- in all campus buildings, facilities and vehicles owned by Edgecombe Community College;
- on campus grounds and property owned by Edgecombe Community College;
- at lectures, conferences, meetings, social and cultural events held on school property or school grounds.

Implementation & Compliance. A campus committee shall develop a plan for communicating the policy to students, staff, faculty and visitors and will insure appropriate campus signage.

Smoking waste management products such as ashtrays shall be removed.

Visitors who repeatedly violate the policy shall be asked to leave campus. Employees who repeatedly violate the policy shall be referred to their supervisors and shall be given tobacco cessation materials. Repeated violations by staff or faculty can result in further personnel action.

Enforcement of this policy for students shall include the provision of an oral warning for the first offense and a written one for the second offense. The written warning file shall be filed with the Dean of Students on the Rocky Mount Campus and the Dean of Enrollment on the Tarboro Campus. The record shall be purged two years from the date of the incident. If a student is observed in violation of this policy a third time, he/she may be disciplined by the Vice President of Student Services as a violation of the student code of conduct.

Opportunities for Cessation. Administration will consult with county health department and other health organizations to provide faculty, staff, and students with information and access to free programs and services to help abstain from the use of tobacco products.

ALCOHOL AND SUBSTANCE ABUSE PROGRAMS

ECC has developed a program to prevent the illicit use of drugs and the abuse of alcohol by students and employees. The program provides services related to drug use and abuse, including dissemination of informational materials, educational programs, counseling services, referrals, and college disciplinary actions.

ECC's Student Services Department provides overall coordination of the Drug-Free School Program through various services.

ALCOHOL AND DRUG EDUCATION

ECC conducts an annual alcohol and drug seminar for staff and students. Alcohol and drug educational materials are displayed in Student Services areas.

COUNSELING SERVICES

Student Services counselors and a Student Support Specialist are available for counseling.

REFERRAL SERVICES

Student Services counselors are located in the department for student referrals.

COLLEGE DISCIPLINARY ACTIONS

The Vice President of Student Services is responsible for college disciplinary actions.

TIMELY WARNINGS

In the event that a situation arises, either on or off campus, that constitutes an ongoing or continuing threat to students and employees of the college, a campus-wide "timely warning" is issued through the ECC email system to students, faculty, and staff. The college President or his/her designee makes the decision to issue such a warning, through consultation with members of the College Management Team and the local police department.

CAMPUS SECURITY AND CRIME AWARENESS REPORT

The Director of Human Resources prepares this report annually to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be found on the ECC Web site at <http://www.edgecombe.edu> under Faculty & Staff >Documents and Reports.

Campus crime, arrest, and referral statistics include those reported to designated college officials and campus police.

Each year, an email notification is made to all enrolled students stating that this report has been completed and providing the information needed to access this report online. All employees receive similar notification. Printed copies of this report may be obtained from the office of the Director of Human Resources.

SEXUAL HARASSMENT POLICY

ECC prohibits any form of sexual harassment involving any of its employees in the employment relationship or involving any college employee and a student of the college in the college relationship, whether it is in the form of a college employee sexually harassing a student or a student sexually harassing a college employee. The college has a firm belief and has established a policy that all employees are entitled to work and all students are entitled to learn in an environment free of discrimination or intimidation based on sex. Any act, comment, or behavior which is of a sexually suggestive or harassing nature and which in any way interferes with employees' or students' performance or creates an intimidating, hostile, or offensive environment is strictly prohibited. Students or employees who feel that they have been subjected to sexual harassment may file a complaint with the Vice President of Student Services. Complaints involving the Vice President of Student Services should be filed with the President.

STUDENT ACADEMIC DISHONESTY AND CODE OF CONDUCT PROCEDURES

Students are expected to be self-disciplined and display the qualities of courtesy, respect, and integrity at all times. Members of the college community may counsel a student about their need to exercise self-discipline and display these qualities at any time.

Faculty members are responsible for managing the classroom environment. Students who engage in misconduct that disrupts a class or college-sponsored activity may be directed by the faculty member to leave the class or activity for the remainder of the period. Such dismissal of a student from a class or activity should be reported as a complaint by the faculty member to the appropriate Dean in Student Services. Suspension from a class or activity for a longer period of time or administratively withdrawing a student for misconduct by a faculty member requires the approval of the Vice President of Student Services. The student may initiate a Formal Appeal by submitting a written appeal within ten class days of the date of the suspension or administrative withdrawal.

COMPLAINTS

Any member of the College community may file a complaint against a student alleging, in good faith, a violation of the College's policy prohibiting academic dishonesty and the Student Code of Conduct.

Complaints alleging violations of the College's policy prohibiting academic dishonesty shall be in writing and directed to the appropriate Academic Dean. Complaints alleging violations of the Student Code of

Conduct shall be in writing and directed to the appropriate Dean in Student Services on the campus on which the alleged violation occurred or where the student is registered or attends class. Complaints should be submitted as soon as possible after the event takes place or when it is reasonably discovered.

RIGHTS OF THE ACCUSED STUDENT

The ECC Board of Trustees and the College are committed to providing all students with due process as provided in the Fourteenth Amendment to The Constitution of the United States of America.

Throughout the process of determining if a student committed academic dishonesty or violated the Student Code of Conduct, the Accused Student has the following rights:

- to seek information from the appropriate Dean about the Investigation and Resolution Process (outlined below);
- to be informed of the charge(s) and alleged misconduct set forth in the complaint;
- to be afforded a reasonable opportunity to offer a relevant response/defense;
- to be informed of and respond to the relevant evidence upon which the complaint is based;
- to remain silent with no inference of responsibility drawn;
- to be considered not responsible until proven responsible by a preponderance of the evidence;
- to appeal the decision of the appropriate Dean as outlined in the Formal Appeal Procedure (outlined below); and
- to waive any of the above rights.

INVESTIGATION AND RESOLUTION PROCESS

The College's process for resolving allegations that a student committed academic dishonesty or violated the Student Code of Conduct utilizes an investigatory model, not an adversarial model, with the primary goal of uncovering the truth. The standard of proof is a preponderance of the evidence. An investigation begins when a complaint is forwarded to and the case is opened by the appropriate Dean. During the investigation, an Accused Student should continue to attend class and required College functions unless otherwise instructed by the Academic Dean or Dean in Student Services investigating the complaint.

After the Dean receives a complaint, he/she will review the information to decide what process, if any, to initiate. The Dean may:

1. determine that the facts of the complaint or report, even if true, would not constitute academic dishonesty or a violation of the Student Code of Conduct;
2. resolve the situation through an informal resolution process including but not limited to mediation or a meeting between the Accused Student and a third party; or
3. initiate an investigation by gathering facts and meeting with the Accused Student.
 - a. If the Dean initiates an investigation, he/she may meet with the Complainant(s) and any witnesses to gather additional information.
 - b. The Dean will verbally notify the Accused Student of the complaint and his/her decision to investigate it and interview him/her to gather additional information.
 - c. Upon conclusion of the investigation, the Dean will render a decision, which will be communicated to the Accused Student in writing via the Student's College email address. If the Dean decides that the Accused Student committed academic dishonesty or violated the Student Code of Conduct, the notice of his/her decision will include a brief description of the findings, the relevant provision(s) of the academic

dishonesty policy or Student Code of Conduct violated, a description of any disciplinary sanctions, and reference to the Formal Appeal process described below.

If the Dean does not render a decision satisfactory to the Accused Student, the Student may initiate a Formal Appeal by submitting a written appeal within ten class days of the Dean's decision to the Vice President of Instruction if it relates to academic dishonesty or the Vice President of Student Services if it relates to a violation of the Student Code of Conduct.

DISCIPLINARY SANCTIONS

Sanctions are imposed when a student is found to have violated the College's policy prohibiting academic dishonesty, the Student Code of Conduct, or other academic or non-academic policies of the College. Sanctions are determined by the severity of the case and the disciplinary history of the student. A student will be given one of sanctions below. Sanctions may be imposed singly or in combination upon individuals, groups, or organizations.

Other than College expulsion or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student's permanent academic record, but shall become part of the student's disciplinary record. Upon graduation, the student's disciplinary record may be expunged of disciplinary actions. Both an Accused Student(s) (or group or organization) and a student(s) claiming to be the victim of another student's conduct, the records of the process and of the sanctions imposed, if any, shall be considered to be the education records of both the Accused Student(s) and the student(s) claiming to be the victim because the educational career and chances of success in the academic community of each may be impacted.

The following sanctions by the College include, but are not limited to:

Warning: A warning is a written notice to the student or organization that the conduct in question violates College regulations. For organizations, a warning may include notification to the organization's president or adviser.

Reduction in Grade or No Credit: A reduction in a grade or no credit on an assignment, examination, or course in which an act of academic dishonesty occurred.

Loss of Privileges: The College may deem it appropriate to take away certain privileges from a student or organization for a specified period of time. This sanction may include, but is not limited to, limited access to or use of all or part of College property, participation in some or all College activities including educational or graduation exercises, removal from an elective or appointed office of a registered campus organization, removal of recognition, and ineligibility to represent the College.

Imposition of Special Conditions: The student(s) may be asked to perform certain tasks, or make restitution, whether monetary or by specific duties or assignments, or comply with a behavioral contract.

Disciplinary Probation: Disciplinary probation is levied for a specific time based on the seriousness of the violation and serves as a warning that any further violation of College regulations during the specific time may result in more serious consequences, including suspension or expulsion.

Interim Suspension: Interim suspension is a sanction levied by the Vice President of Student Services, or a designee, when she/he is satisfied that the continued presence of the student on the campus constitutes a threat to the security or emotional safety and well-being of members of the College community or College property.

Suspension: Suspension is the separation of the student or organizations from the College for a definite period of time or until written specified conditions are met, after which the student is eligible to return or readmission. Conditions for return or readmission may be specified by the appropriate Vice President.

Expulsion: Expulsion is the permanent separation of the student or organization from the College. A student expelled from the College is not eligible for readmission.

Revocation of Admission and/or Degree: Admission to or a degree awarded from the College may be revoked for fraud, misrepresentation, or other violation of College standards in obtaining the degree, or for other serious violations committed by a student prior to graduation.

Withholding Degree: The College may withhold awarding a degree otherwise earned until the completion of the process set forth in the College's policy prohibiting academic dishonesty or the Student Code of Conduct, including the completion of all sanctions imposed, if any.

Other sanctions which are deemed appropriate by the College.

STUDENT COMPLAINTS

STUDENT COMPLAINTS – ACADEMIC AND NON-ACADEMIC GRIEVANCES

If a student has an academic or non-academic grievance, i.e., other than one related to the College's policy prohibiting academic dishonesty and the Student Code of Conduct, the student should attempt to resolve their concern with the member of the college community having direct responsibility for their concern. The student should discuss his/her concern with the student, faculty member, or College employee(s) involved and try to reach a mutually agreeable solution as soon as possible after the event takes place or when it is reasonably discovered but no later than the first ten class days of the academic term immediately following the term in which the alleged event occurred.

If the student's concern relates to a course of study, course, grade, faculty member or College employee(s), the faculty member or College employee(s) should meet with the student to discuss the concern within ten class days. In the event a faculty member or College employee(s) is unable or declines to meet with the student, the student may meet with the appropriate department head.

Every reasonable attempt should be made to resolve informally any dispute between students and the college at the level at which the dispute arises. Recognizing that such matters cannot always be resolved informally, ECC provides a formal process through which students can appeal the application of certain college rules and regulations and the assignment of a grade. In all cases, it is the intent of the College to assure the fair and equitable treatment of all students in the college community.

If the student is not satisfied with the response provided by the student, faculty member, or College employee(s) involved, the student may submit a complaint, in writing, to the appropriate Dean. Upon receipt of the complaint, the Dean reviews the facts of the complaint and may conduct further inquiry.

The Dean will notify the student of his/her decision in writing within ten class days after receipt of the student's complaint. If the Dean does not render a decision satisfactory to the student, the student may initiate a Formal Appeal by submitting a written appeal within ten class days of the Dean's decision to the Vice President of Instruction if it relates to an academic grievance or the Vice President of Student Services if it relates to a non-academic grievance.

FORMAL APPEAL PROCEDURE FOR STUDENT ACADEMIC DISHONESTY, STUDENT CODE OF CONDUCT, AND STUDENT COMPLAINTS

1. The appropriate Vice President submits the Student's appeal to the Campus Appeals Committee Chair, within ten class days of his/her receipt, for consideration. *If the Vice President receiving the Appeal is implicated in it, that Vice President will forward it to the other Vice President for submission to the Campus Appeals Committee and final decision.*
2. The Campus Appeals Committee Chair schedules the hearing within ten class days from the date of his/her receipt of the Student's appeal from the Vice President. The hearing will be held not more than fifteen class days nor less than five class days after the Accused Student or Complainant has been notified of the hearing date unless the Chair extends the date for the hearing for good cause. If the appeal involves more than one Accused Student, the Chair may permit the hearing to be conducted jointly or separately in his/her sole discretion.
3. The Campus Appeals Committee Chair notifies the Accused Student or Complainant of the date, time, and place of the hearing. In addition, the Chair notifies the Accused Student or Complainant that he/she may submit any statements or documents that he/she wishes for the Chair to distribute to the members of the Campus Appeals Committee prior to the hearing, to arrange for witnesses to present pertinent information at the hearing, and may be accompanied at the hearing by an advisor. *The Accused Student and/or Complainant may be assisted by any advisor they choose, at their own expense. The advisor must be a Student or College employee and may not be an attorney. The Accused Student and/or Complainant must notify the Campus Appeals Committee Chair of the name and contact information of any witnesses and advisor not less than two class days before the scheduled hearing.*
4. The Campus Appeals Committee Chair may notify the Complainant, Dean, and other witnesses identified by the Accused Student, Complainant, or Committee of the date, time and place of the hearing and ask them to appear and/or provide relevant documents to be distributed to the Accused Student and/or Complainant and members of the Campus Appeals Committee prior to the hearing. The Committee will accommodate concerns for personal safety, well-being, and/or fears of confrontation of the Accused Student and/or Complainant or witnesses by using a visual screen, electronic communication, and/or written statement as determined appropriate in the sole discretion of the Chair.
5. The Campus Appeals Committee convenes the hearing.
 - a. The hearing is conducted by the Committee in private and in an informal and expeditious manner.
 - b. Only members of the Campus Appeals Committee, Accused Student and/or Complainant and their advisors, if any, and witnesses testifying before the Committee are permitted to attend the hearing. Admission of any other person to the hearing will be at the sole discretion of the Committee Chair. Only the Accused Student and/or Complainant and their advisors are permitted to attend the entire portion of the hearing (excluding the Committee's deliberations). If the Accused Student and/or Complainant does not appear at the hearing, the hearing will proceed, evidence considered, and decision made by the Committee.

- c. At the hearing, the Accused Student and/or Complainant and witnesses may testify. The Accused Student and/or Complainant's advisor is not permitted to speak or participate directly in the hearing. The Accused Student and/or Complainant and witnesses may be questioned only by members of the Campus Appeals Committee. The Accused Student and/or Complainant may suggest questions to be asked of witnesses to the Committee Chair and he/she will decide whether the questions are appropriate to be asked of the witness.
 - d. The Dean will present the information he or she received during the investigation.
 - e. The Committee Chair is empowered to rule on procedural matters and the relevance of witnesses and/or evidence.
 - f. After the portion of the hearing concludes in which all pertinent information has been received and the Accused Student and/or Complainant and advisors have been dismissed, the Campus Appeals Committee will determine (by majority vote) whether the Accused Student committed academic dishonesty or violated the Student Code of Conduct or its decision regarding the Student complaint.
 - g. A tape recording or other record of the hearing (excluding deliberations) is made and preserved for reference and review until the appeal is decided by the appropriate Vice President.
6. The Campus Appeals Committee Chair communicates the Committee's decision, in writing, to the appropriate Vice President. The Vice President reviews the decision of the Committee and sanction(s) and may accept, repeal, or amend the decision and/or sanction according to his/her best judgment. The Vice President will render a decision and notify the Accused Student or Complainant within ten class days of his or her receipt of the written decision by the Campus Appeals Committee. The decision of the Vice President is final and cannot be appealed.

MISCELLANEOUS INFORMATION

TRANSFER OF CREDITS

Into the College

The college allows transfer credit for students from other recognized and accredited post-secondary institutions, provided that certain conditions are met:

1. The course is required for graduation at the college.

2. The course was passed with a "C" or better.*
 3. The course closely parallels the content of that which it replaces at the college.
- *Credits that transfer to the college with a "T" grade are not included in students' overall grade point averages.

The college may grant credit where applicable for military service schools in accordance with the recommendations of the American Council on Education's *Guide to the Evaluation of Educational Experiences in the Armed Services* when consistent with students' program requirements. The college does not allow credit for experiential learning.

Transfer credit is awarded only upon approval by the department head. Applications for transfer credit are handled on an individual basis. Once an evaluation is completed, the Registrar sends a copy to the student, and one is kept in the academic file in Student Services. Advisors can view transfer credits on students in the Colleague file.

Between Programs at the College

Credit for subjects earned with a grade of "D" or better at the college is accepted in cases when students transfer from one curriculum to another within the college. Courses transferred must be comparable in content and contact hours to the courses for which credit is given. Transfer of credits from one curriculum to another is granted under the following conditions:

1. The course(s) is/are required for graduation in both programs.
2. Those credit hours designated "elective" in the major curriculum may be transferred from one curriculum area to another; this policy applies only to the number of credit hours designated as elective hours in those curriculum areas into which students transfer.
3. When students re-enter a curriculum in which they have been previously enrolled, all previous grades earned (including "F"s) in that curriculum are included in the cumulative grade point average at the time of re-entry.
4. Corporate and Community Development courses may be transferrable to curriculum programs pending approval of the Vice President of Instruction.
5. The Nursing Program has separate policies for transfer of courses between programs.

INCOMPLETE GRADES

A grade of "I" may be awarded only when students have not completed the requirements of a course. If a grade of "I" is not removed within the following semester, the "I" grade is automatically changed by the Registrar to a grade of "F."

At the time a grade of "I" is awarded, the instructor completes a "Notice of Requirements for Removal of an 'Incomplete' Form". That form includes the following information:

1. Specific requirements for the completion of the course.
2. The student's grade standing at the time the "I" grade is awarded.
3. The time period allowed by the instructor for the completion of the course.

It is the student's responsibility to contact the instructor concerning the removal of an "I" grade. The form for the removal of incompletes is approved by the appropriate instructor and the Vice

President of Instruction. No additional tuition is paid when the "I" grade is replaced with a permanent grade.

PRIVILEGE TO ATTEND CLASS

Only those individuals officially enrolled are allowed to be in the classroom during class hours, except for invited guests of the instructor or student(s) when present on official business. For example, children of students are not permitted to attend classes with their parent(s). Children also are not allowed to be on campus unattended while their parent(s) is in class.

VISITORS

Visitors who have official business at the college are welcome. However, persons who do not have legitimate reasons for being on the campus are not allowed to use the campus facilities. Loitering is strictly prohibited.

TRANSPORTATION

Since ECC is a commuter college, transportation is not provided for students; however, if transportation is a concern, students should contact the Student Support Specialist in the Student Services Department for assistance.

STUDENT DRESS CODE

Edgecombe Community College expects all students to dress in a manner keeping with the serious academic intent of the college and the community in general. The college invites business leaders and industry representatives on campus throughout the academic year. Therefore, students should always keep in mind that they may have an unexpected opportunity to meet prospective employers, and first impressions are lasting impressions.

In view of these considerations, students are expected to use good judgment in dressing appropriately within the generally accepted boundaries of good taste. Although the college does not intend to impose upon individual style or creativity, students are prohibited from wearing clothing that is sexually suggestive or revealing, which includes exposing undergarments. Students will not be permitted to dress in a manner which disrupts the educational environment.

Though students may dress casually, they should present a clean and hygienic appearance while on campus or attending an ECC sponsored activity, function, or event off campus. Shirts and shoes are required on campus at all times. Displaying gang colors or symbols, offensive, lewd comments, and/or profanity are prohibited. As a general rule, caps, hats, and doo rags should not be worn in any classroom. Students are expected to dress in a manner appropriate to their major area of study. Certain curricula, such as the allied health programs, may require special attire for clinical and laboratory work. When this requirement is not met, students may not attend clinics or laboratories.

Students who fail to adhere to the guidelines stated above are not allowed in any ECC facility and are subject to disciplinary action which may include suspension and/or expulsion.

FOOD AND DRINKS

The college provides vending machines in the student lounge that dispense cakes, cookies, soft drinks, and other sundries. A grill with hot sandwiches is available on the Tarboro campus. No food or drink is allowed in the classroom.

USE OF COLLEGE TELEPHONE

A public telephone is provided for student use and is conveniently located on each campus. Students are

cautioned against having parents and friends call during class time as students are called out of class only to receive emergency calls from the following institutions: hospitals, day care centers, and public schools.

CELLULAR PHONES

For the respect of fellow classmates and instructors, all cell phones should be off or on "silent" during class, in the college library, and in all other learning environments on campus.

CHILDREN ON CAMPUS

Children are not allowed to be unattended in any campus facility at any time. Children are strictly forbidden from attending class.

PARKING FEE

Students must have valid parking decals on their vehicles. Students must park in the designated student parking areas on both campuses.

ABUSE OF COLLEGE PROPERTY

The property of the college must not be abused or removed from the place where it belongs. Students who destroy or abuse the buildings or furnishings are permanently dismissed from the college. Students are held liable for the damages. Computer use must be limited to educational purposes only.

DONATIONS AND SOLICITATIONS

Requests for donations or solicitations from the business, industrial, or public sector of the community should be forwarded as a written proposal stating the purpose of the request to the Vice President of Student Services. Final approval of requests for donations or solicitations is then the decision of the Vice President of Student Services and the President.

CORPORATE AND COMMUNITY DEVELOPMENT

Corporate and Community Development promotes the lifelong learning process by offering a wide range of programs and services. These programs and services are designed to meet the needs and interests of adults, regardless of their educational background. Some courses and services are offered on a continuing basis while others begin as a result of specific requests by individuals or professional or civic groups.

Courses can be developed on or off campus, day or night, whenever or wherever there is an interest expressed by a sufficient number of people. Courses and services are usually designed to assist in the following areas:

- To prepare for entry into an occupation
- To upgrade or retrain employed individuals
- To provide cultural awareness
- To provide self-improvement opportunities

The broad areas of Corporate and Community Development are College & Career Readiness, Hispanic/Latino Initiatives, Human Resources Development, Special Programs, Customized Training, and Business and Industry Services. Requests and suggestions for additional courses are welcome!

This fee is \$.75 per semester hour of credit. The maximum semester student activity fee is \$12.00 for up to 16 or more credit hours for in-state and out-of-state students.

COMPUTER USE AND TECHNOLOGY FEE

The fee is \$1.00 per credit hour for up to 12 credit hours.

PARKING

This fee is \$1.00 per credit hour for up to 12 credit hours.

HEALTH SCIENCES FEE

The Health Science fee is \$30.00 per semester. Malpractice insurance is \$8.50 per semester.

GRADUATION FEES

Candidates for graduation are charged a \$50.00 fee to cover costs of the diploma and cap and gown purchase. This fee is non-refundable.

INSURANCE

ECC assumes no responsibility for student injuries or losses. An opportunity is provided at the time of registration for all students to obtain accident insurance. The college strongly recommends that students who enroll in occupational programs or who plan to take physical education activity courses purchase accident insurance.

HEALTH SCIENCE PROGRAMS

All students enrolling in Associate Degree Nursing, Practical Nursing, Nursing Assistant, Radiography, Respiratory Care, Medical Assisting, Surgical Technology, Medical Transcription, and Health Information Technology are required to have malpractice insurance. Such insurance may be purchased through the college's Business Office.

All persons who enroll in any ECC program in which they could be exposed to blood borne pathogens are recommended to receive the Hepatitis B vaccination series at their own expense prior to participating in clinical or similar training events.

TUITION REFUNDS

Students who enroll in curriculum classes are subject to tuition and fees which are due and payable at the time of registration. Student tuition and fees included in this handbook is determined each year by the North Carolina Board of Community Colleges and the General Assembly. Fees are subject to change due to any legislative increases that may occur. Edgecombe Community College is operating under the current refund policy in effect at the time of this publication.

A refund is made under the following circumstances:

1. A 100 percent refund of tuition and fees is made if the student officially withdraws prior to the first day of class (es) of the academic semester as noted in the college calendar. Also, a student is eligible

- for a 100 percent refund of tuition and fees if the class in which the student is officially registered is canceled due to insufficient enrollment.
2. A 75 percent refund of tuition and fees shall be made if the student officially withdraws from the class (es) prior to or on the official 10 percent point of the semester.
 3. For classes beginning at times other than the first week (eight calendar days) of the semester, a 100 percent refund of tuition and fees is made if the student officially withdraws from the class prior to the first class meeting. A 75 percent refund of tuition and fees is made if the student officially withdraws from the class prior to or on the 10 percent point of the class.
 4. A full refund of tuition and fees is granted to military reserve and National Guard personnel called to active duty or active duty personnel who have received temporary or permanent reassignments as a result of military operations then taking place outside the state of North Carolina, thus making it impossible for them to complete their course requirements. The college will use distance learning technologies and other educational methodologies to help these students, under the guidance of faculty and administrative staff, complete their course requirements.

To comply with applicable federal regulations regarding refunds, federal regulations supersede the state refund regulations stated in this rule.

FINANCIAL AID

The philosophy at ECC is that any individual who wishes to attend the institution should not be prohibited from doing so because of a lack of financial resources. Although the primary responsibility for financing an education remains with students and their families, the college participates in financial aid programs designed to supplement a student's or family's contribution when there is documented financial need. Students who complete the financial aid application process are considered for all types of federal and state financial aid for which they may be eligible. ECC Scholarships are awarded to students based on academic promise or achievement. Federal and state financial aid is awarded to students without regard to their sex, sexual orientation, race, color, disability, or national origin. Students always have the right to accept or decline all or any specific type of financial assistance they are offered.

FEDERAL AND STATE FINANCIAL AID PROGRAMS

FEDERAL PELL GRANT PROGRAM

Federal Pell Grants are awarded to eligible students based on demonstrated financial need. Students must successfully complete high school or earn a GED to be considered. The Federal Pell Grant program is the cornerstone of all of the federal student aid programs. During the 13-14 school year, approximately 2800 students received Federal Pell Grants that helped pay for their tuition and books at ECC. Pell Grants are not subject to repayment unless recipients do not complete their respective terms of enrollment.

Federal Pell Grant awards are calculated based on a federal formula that takes into consideration the students' family financial circumstances, and the students' Costs of Attendance (COA) as determined by ECC. In addition the award amount is based on the number of hours in which the student enrolls. In order to apply for a Federal Pell Grant, students must complete the Free Application for Federal Student Aid (FAFSA). The Department of Education processes the applications and sends Student Aid Reports (SAR) directly to students or instructs them on how to access their SARs online. ECC receives an

electronic confirmation of the SAR. The SAR provides a calculated Expected Family Contribution (EFC). A student's Pell eligibility is based on a combination of ECC's costs and the family contribution.

Per federal regulations, a student may only receive Pell Grants for the equivalent of 12 semesters of full-time enrollment, or until the student completes the requirements for a Bachelor's degree - whichever comes first. Students are advised to monitor the number of semesters they receive Pell Grants, particularly if they plan to pursue four year degrees after leaving ECC.

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG) PROGRAM

Students who receive Pell Grants may also be eligible to receive Supplemental Educational Opportunity Grants. FSEOGs are not subject to repayment unless recipients do not complete their respective terms of enrollment. The amount of the grant is based on student financial need, and the availability of funds. The minimum award is \$300.00. Students are not required to be enrolled full-time to receive an FSEOG. Priority for FSEOG must be given to students with the lowest Expected Family Contributions (EFC) per federal regulation. To be considered for FSEOG, students should complete the FAFSA as soon after January 1 as possible. For example, to apply for the 14-15 school year that begins in the fall students need to complete the FAFSA after January 1, 2014.

FEDERAL WORK-STUDY (FWS) PROGRAM

The Federal Work-Study Program provides jobs for eligible students to earn money to help pay college expense while attending classes at least part-time. Students participating in the program are employed in the library, laboratories, administrative and faculty offices, and various departments of the college. On average, students work approximately 10 to 15 hours per week, earning \$7.50 per hour. Student's employed under the FWS program are expected to be responsible and reliable. Students interested in FWS should contact an ECC Financial Aid Office on either the Tarboro or Rocky Mount campuses to discuss the application process. Work-Study applications are available online at:

<http://www.edgecombe.edu/pdfs/financial-aid/forms/work-study-application.pdf>

FEDERAL DIRECT STUDENT LOAN (FDSL) PROGRAM

Students can borrow in the FDSL programs to help meet their costs of attending ECC. All prospective borrowers must complete FAFSAs and have the results released to ECC. Loan eligibility is determined after a student's eligibility for non-repayable types of aid is considered. Subsidized FDSLs are need-based. The maximum amount a first year student may borrow ("first year" is defined as having successfully completed 32 credit hours or less) in subsidized loan is \$3,500 per year. For a second year student ("second year" is defined as having successfully completed a minimum of 32 hours) the subsidized loan maximum is \$4,500. Students must be enrolled in a minimum of 6 credit hours for the semester to receive FDSLs. **Since this is a loan that must be repaid** students are required to complete promissory notes and take part in entrance interviews before the loans can be disbursed. Loan repayment begins 6 months after students cease to be enrolled in at least 6 hours. This includes students who withdraw from the college or graduate. While borrowers are in school, the interest (3.86 % fixed for loans first disbursed between July 1, 2013, and June 30, 2014) is paid by the federal government.

There is also an Unsubsidized FDSL Program. For additional FDSL information please go to
<http://www.edgecombe.edu/financial-aid/69#loan> and www.studentloans.gov

ELIGIBILITY REQUIREMENTS

Financial aid is awarded primarily on the basis of need. In addition, financial assistance depends on the availability of financial resources. To be considered for financial aid, applicants must meet the following criteria:

1. Be enrolled or accepted for enrollment in an eligible program of study at ECC on at least a half-time basis (In some cases, students may receive financial aid for less than half-time enrollment.)
2. Be citizens or eligible non-citizens of the United States with a valid Social Security number
3. Demonstrate financial need
4. Have a high school diploma or GED certificate
5. Be making satisfactory progress in the course of study being pursued

If students qualify for financial aid, they receive an award letter. The award letter is not a guarantee of

funds; therefore, it is important that students understand the terms and conditions of the award. They should review the award carefully.

APPLICATION PROCEDURE

CURRENTLY ENROLLED STUDENTS

Financial aid awards are made for one academic year at a time; therefore, it is necessary for students to reapply for federal aid each year. In order to remain eligible for aid, they must meet the following criteria:

1. Submit the Free Application for Federal Student Aid (FAFSA) as soon as possible after January 1.
2. Maintain Satisfactory Academic Progress (SAP). Students are required to complete at least 67 percent of all attempted hours of course work and must maintain a cumulative grade point average (GPA) of 2.0 – a “C” average.

DEADLINES FOR SUBMITTING THE FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA)

Students should submit their FAFSA early. For priority consideration, submit the application by March 15th of each year. Awards offered to students meeting the priority deadline and determined eligible, may receive the North Carolina Student Incentive Grant and/or the Federal Supplemental Educational Opportunity Grant or both in addition to the federal Pell Grant.

NOTIFICATION OF AWARD DECISIONS

Students are notified of award decisions for the academic year typically in the summer (usually June). Awards for students beginning in semesters other than fall are generally made a few weeks prior to the start of that semester.

FINANCIAL AID REFUNDS

Students who have been awarded financial aid, may have credit balances after their tuition, fees, books, supplies, and other required charges have been paid for the semester. For those students, refunds will be processed each semester. Please go to <http://www.edgecombe.edu/financial-aid-disbursements> for additional information.

SATISFACTORY ACADEMIC PROGRESS POLICY (SAP)

Federal regulations require students to maintain Satisfactory Academic Progress (SAP) towards the completion of eligible degree, diploma or certificate programs. This policy applies to Federal Pell Grant, Federal Supplemental Education Opportunity Grant (FSEOG), Federal Work Study (FWS), and Federal Direct Student Loans (Subsidized, and Unsubsidized). In addition, the SAP policy applies to the North Carolina State Grant program as well.

SAP is reviewed at the end of each semester to determine financial aid eligibility for the next semester of enrollment. All hours previously attempted are considered in determining SAP; therefore a student's complete academic history is reviewed even if the student did not previously receive financial aid. Students who have never received financial aid may be placed on financial aid warning based on having a Cumulative GPA below a 2.0, or having completed less than 67% of the hours previously attempted. Students who have attempted more than 150% of the hours required to complete their current active, academic program go into a Suspension status.

Transfer students are required to submit official transcripts from ALL previously attended colleges, regardless of whether or not they have received financial aid. Official transcripts must be submitted to the Edgecombe CC Office of Admissions. Unofficial transcripts will not be accepted.

You are encouraged to familiarize yourself with the details of the ECC SAP Policy by going to <http://www.edgecombe.edu/pdfs/financial-aid/satisfactory-academic-progress-policy.pdf>

HOW TO ...

CHANGE A MAJOR

All students must get a "Change of Major Form" from the Student Services Department. The current advisor and new advisor sign the form, and students can submit the completed form to the Student Services Department for the official change. A counselor assists with registration for the first semester under the new major; the faculty advisor is responsible for future scheduling.

Students are strongly advised to see a counselor before changing their program of study. Changes made during registration will be effective immediately. Changes made during early registration and after classes begin will not be effective until the next semester. The changes do not become effective until this form is completed and returned to Student Services, and Student Services staff have approved the changes and entered the information into the computer.

REQUEST A TRANSCRIPT

Students must submit in writing to the Registrar a request for release of their transcript. The college charges \$1.00 per copy for the transcript.

GET A CLASS SCHEDULE

After the first semester of enrollment, students should see their academic advisor to secure a schedule for the following semesters. Advisors can be contacted by phone, email, or in person. Advisors' office hours are posted on the office doors.

GET AN ID CARD

All students must have an ID card while on campus. ID cards are made in the Student Services Department at various times scheduled each semester. Students should contact the Student Services Department if they need an ID card or replacement. ID cards are free for the initial picture and \$5.00 for a replacement.

GET A PARKING STICKER

Parking stickers are issued from the Bookstore on both campuses. Parking stickers should be displayed on all vehicles.

LOCATE LOST AND FOUND ITEMS

Generally, the main reception area in each building and the Student Services Department maintain lost and found items. If students lose an item, they should report the loss to the Student Services Department.

GET PHOTOCOPIES

The libraries on both campuses provide photocopying for a nominal fee.

All students should maintain a current address and phone number in their records. Students should contact the Student Services Department to change their address and phone number.

Students wishing to withdraw from a class or classes must complete an official withdrawal form located in the Student Services Department. All instructors from the class (es) the student is withdrawing from must sign this form, along with the student's advisor. The form is to be returned to the Student Services Department. Withdrawal is effective on the date indicated on the drop form.

DROP/ADD CLASSES

To make class adjustments (drop/adds or section changes), students must see their advisor. These changes must be made during the first five days of the fall or spring semesters and during the first three days of the summer semester.

GET A COLLEGE ID NUMBER

This number is assigned to all students during the admissions process. All students should remember their ID number, for it is used for all transactions at the college. Student ID numbers or other confidential student information cannot be given out over the telephone. The Student ID number is also displayed on the student registration form.

GET A TUTOR

Students should contact the Student Support Specialist for individual and/or group tutoring.

APPLY FOR GRADUATION

All students must apply for graduation at the beginning of their final semester. Students must meet with their advisor and complete the application process and exit evaluation. Graduates are notified that they have completed all requirements and sent appropriate information for graduation.

DISTANCE LEARNING**INTRODUCTION**

Distance Learning at Edgecombe Community College (ECC) includes those classes that individuals can take anytime and anywhere for which classroom attendance is not required. The classes include curriculum college-credit courses, Continuing Education non-credit courses, and the online GED/Adult High School Diploma program. The distance learning classes are best suited for mature, self-motivated students who have good study skills and do not need to be reminded to study and complete their assignments. Student support services, such as the library, student services, and financial aid, are available without being on campus. Changing lives with quality instruction and a genuine concern from instructors is an integral part of Distance Learning at ECC.

AVAILABLE COURSES/PROGRAMS**Curriculum Courses**

Two types of distance learning curriculum courses are offered at the college: online courses and hybrid courses.

Online

Online courses can be taken anytime and anywhere, provided individuals have access to the Internet. Classroom attendance is not required. The online curriculum classes compare to traditional classroom courses in that they earn the same credit, have the same quality and standards, are fully accredited, and have the same course objectives.

Hybrid

Hybrid courses combine the traditional classroom and the Internet. Therefore, depending on the instructor, students must meet on campus at certain times during the semester. Lessons are completed online. As with online classes, hybrid courses earn the same credit and have the same quality and standards as face-to-face courses. Likewise, support services are available online for hybrid students.

A schedule of curriculum course offerings (online and hybrid) can be found by clicking on "Find Classes" on the Academics menu on the ECC home page: www.edgecombe.edu

DEGREE ONLINE PROGRAMS

Edgecombe Community College has three (3) totally online degree programs: Business Administration, Health Information Technology, and Early Childhood. Students never have to come on campus to receive a degree in these programs; the courses are all online.

ED2GO

The Ed2Go (www.ed2go.com/edgecombecc) non-credit online courses are informative, fun, convenient, and highly interactive. These courses are project-oriented and include lessons, quizzes, hands-on assignments, discussion areas (chat rooms), and supplementary links. All courses run for six weeks with a two-week grace period at the end.

These courses begin every month and can be completed from the home or office during the day or evening. Twenty-four (24) contact hours in length, they generate 2.4 Continuing Education units (CEUs). These courses require Internet access, email, and a Web browser, such as Internet Explorer or Netscape Navigator. The courses are approved for teacher renewal. Upon successful completion of a course, students receive an official certificate issued by the Division of Corporate and Community Development. For further information, interested persons should call (252) 823-5166, ext. 220.

GED/ADULT HIGH SCHOOL ONLINE

Students can prepare for the GED exam or the Adult High School Diploma at home, using the Internet. Both programs are free of charge and are fully accredited. However, there are some state exam fees charged once the student is ready to test.

An on-campus orientation is mandatory for these online programs. Students would later be required to come onto their nearest campus to take post assessments and state exams.

For more information on the GED/Adult High School Diploma Online program, interested persons should call (252) 823-5166, ext. 229 (Tarboro) or ext. 342 (Rocky Mount).

CHARACTERISTICS OF SUCCESSFUL DISTANCE LEARNING STUDENTS

Extensive research has shown that there are certain qualities distance learning students should have in order to be successful in this type of instruction. These qualities include, but are not limited to, the

following:

1. Are mature, self-directed, and goal-oriented
2. Are disciplined and organized
3. Are dependable and responsible
4. Know how to work independently and keep up with assignments
5. Have the necessary college reading and writing skill levels
6. Are able to think critically and solve problems
7. Have completed the necessary prerequisites for the course
8. Know basic word processing
9. Have the required computer hardware and necessary software
10. Are familiar with sending and receiving email

Distance learning students should be willing to participate in a course orientation session, when applicable; begin course activities within the first week of the course; on a routine basis set aside an adequate amount of time for study; and contact the course instructor promptly with questions about aspects of the course.

COMPUTER REQUIREMENTS

Students must have easy access to a Microsoft Windows computer connected to the Internet, a Web browser such as Netscape Navigator/Communicator, Firefox, Safari, or Internet Explorer 6.0 or later, an email address, and the Microsoft Word processing software. LIBRARY SERVICES GENERAL INFORMATION

Both Tarboro and the Rocky Mount campuses have libraries. Each library houses a general collection of books and eBooks, including reference, subject area, and fiction titles. All books may be checked out except reference. The total number of books between the two campuses is approximately 37,000. Books in the general collection are selected to provide information on a wide variety of topics; however, the bulk of the collection focuses on curriculum topics. The Tarboro campus focuses primarily on the Nursing, Surgical Technology, Allied Health, and local/North Carolina history. The Rocky Mount campus focuses on Early Childhood, Respiratory Therapy, and Radiography. Both current and back issues of a number of journals, newspapers, and magazines are available on each campus for in-library use. Interlibrary loans are available for materials that are not located in the ECC collection.

The 5700-square foot Tarboro library has 20 computer workstations networked to a single printer. Wireless access is available on both campuses for students who bring their own laptops. A self-serve copier is available on both campuses. There is a ten cents per page print or copy charge and a twenty-five cents per page charge for color. The Rocky Mount library with 3800 square feet of space has 21 computer workstations networked in the same manner. Both libraries are equipped with computer desks that will accommodate wheelchairs. Additionally, ergonomic mice, large print keyboards, and Zoom-Text software are available on two computers on each campus. The aisles between bookshelves are wide enough to accommodate wheelchairs.

Both campus libraries have a variety of audiovisual equipment available for staff use and for students with staff supervision. Tape recorders and video cameras may be used for class presentations. DVD/VCR/TV combos are available on both campuses to facilitate customer use of audio visuals. Audio visual equipment and instructional DVDs are available for faculty use and may only be taken from the library by students for class presentations with faculty supervision. Small audio visual viewing rooms are available on the Tarboro campus for patrons. A small audio books collection is housed on both campuses. Audio books are available for checkout.

Students may access the library's web page at <http://www.edgecombe.edu/resources/lrc-library>. From the library webpage, patrons may access the card catalog, online journals, and online data bases. The web page has tutorials to assist students in using library resources and general library information tutorials. Additionally, the web page includes hours of operation, information about library use and a staff roster. A variety of electronic reference materials are offered on both campuses and remotely via the LRC website. Electronic reference resources include NCLive, SIRS, Literary Resource Center, Gale Virtual Reference Library, Credo, CQ Press, NC Knows and Anatomy TV. All of these data bases are available through the ECC Library website.
