

North Carolina's Career Readiness Certificate (CRC)

- Certifies core employability skills required across multiple industries and occupations
- Is a portable credential that promotes career development and skill attainment for the individual
- Confirms to employers that an individual possesses basic workplace skills in reading for information , applied math , and locating information and is capable of learning job specific skills
- Is an Economic and Workforce Development tool that transcends all populations and all occupations
- Is a Multi-Level Approach: Bronze, Silver and Gold Level

Certificates

- Bronze Level - core employability skills for approximately 30% of the jobs profiled by WorkKeys in these skill areas
- Silver Level - core employability skills for approximately 65% of the jobs profiled by WorkKeys in these skill areas
- Gold Level - core employability skills for approximately 90% of the jobs profiled by WorkKeys in these skill areas
- Is earned by the individual by assessing with WorkKeys in reading, applied math, and locating information (WorkKeys is a comprehensive employability skills assessment tool used by thousands of companies in the United States and internationally)
- Is administered by local community colleges and JobLink Career centers
