

GOLDEN LEAF SCHOLARS PROGRAM TWO-YEAR COLLEGES

The Golden LEAF Scholars Program – Two-Year Colleges will provide grants of up to \$750 per semester, including summer term, for curriculum students and up to \$250 per term for occupational education students to assist with tuition, fees, books, supplies, childcare, and transportation expenses and credential testing fees for mid-skill training courses. Community colleges choose to participate in the program annually so eligible students must attend a participating community college.

Student Eligibility Requirements

- Eligible students must (1) demonstrate financial need and (2) reside in a rural county that is tobacco dependent and/or economically distressed (Tier 1 or Tier 2 under the 3-Tier designation). A scholarship recipient who resides in an eligible county upon initial award will retain eligibility and will be eligible for renewal awards as long as the student's place of residence is within the state of North Carolina.
- Eligible students may receive an award for each funded term. Financial aid offices will determine their application procedures for receiving awards for subsequent terms. Selected students will be required to disclose all financial aid awards as dictated by college financial aid offices for award packaging. Golden LEAF Scholarships will not displace governmental grants, e.g. Pell grants, for which the student may be eligible (may displace loan funds).
- Curriculum students will be selected based on their financial need as reported in their Free Application for Federal Student Aid (FAFSA). Degree seeking students must be enrolled as a full-time student in order to receive the maximum scholarship award. Grants for less-than-full-time students will be prorated based on hours of enrollment and pending availability of funds.
- Occupation Continuing Education students must demonstrate a need under the federal TRIO formula and be enrolled in a Jobs Now program or a credentialing program of at least 96 hours.
- Should a student become ineligible to use any semester's scholarship award, those funds will be awarded to other qualified students within the same institution.
- Students using funds for transportation purposes will be asked to sign a statement regarding their travel to and from the college.

Student Selection Considerations

Applicants will be selected based on financial need and county of residence. Other selection factors include:

- The effect of the declining economy on his or her family.
 - Owner of or employed in farming/agriculture business
 - Owner of or employed in traditional industries (such as textile or furniture manufacturing)

- Household member lost their job or has gone from full-time to part-time employment
- Academic performance
- Campus activities and community service

Application Process

- CFNC will post the application on its website with other scholarship applications.
- The System Office will promote and market the scholarship among the local community colleges to help the students understand and recognize the mission of Golden LEAF. A marketing and publicity plan approved by the Foundation will include a public announcement of the Golden LEAF Scholars each semester and the scholarship notification letter sent to each scholar.
- Students will complete the Golden LEAF Scholars Program – Two-year Colleges application for the targeted academic terms. Applications will be filed with the college financial aid offices.
- Timing for the selection process is determined by the award policies and procedures of each college. Financial aid offices will work with Occupational Continuing Education Departments to determine the awards periods for those students.
- Applicants bear full responsibility for completing the Golden LEAF application prior to each deadline.
- Financial aid offices will determine eligibility and appoint a selection committee comprised of college personnel from various areas of the college to review student applications. The committee will meet at least once during each of the award semesters or on an as-needed basis throughout the year.
- The committee will select qualified students per award semesters/terms by utilizing the selection matrix provided by the System Office.
- Financial aid offices will disburse awards and send media releases regarding the scholarship recipients.
- Financial aid offices will provide a list of selected recipients including name, amount, address, email, and use of funds to NCCCS. Colleges will also submit student social security numbers and waiver forms in a separate mailing.

This program is funded by the Golden LEAF Foundation.
