

Community College Libraries & Librarians and Student Success

*How often do students & faculty use
library resources and librarian services?*

How do librarians collaborate with faculty?

What do librarians teach students?

And how is it all linked to student success?

**Participate in a one-hour webinar about the
first-of-its-kind, three-year study to
address these questions.**

Wednesday, June 28, 2017, 11:00 a.m.

Please join my meeting from your computer, tablet or smartphone.
